LORICA

1975

Reserved for someone special.

Dear Jimmy,

I don't know where to begin, it seems like I have so much to say, but I don't know how to say it. We've had some good times together and some bad times together. I love you and I believe that we could get over the bad times somehow. I will never forget the best time in my life at the prom and the whole time we were together. I don't know if you remember it (you better not) but I thought everything was perfect. I hope in the future you can do something like that for me again. I wish we could get along as friends. Today I got a letter from you saying that you didn't want to see me anymore. I guess I'll just have to accept it. I'll work out my problems and then maybe you'll decide that you want me back. I can't help it if I'm in love with you. I'll always remember you and I'll keep your picture in my heart. Give them my love and tell them I'll come to see them in the future. Stay in touch.

Love always,
Ellen

P.S. Don't ever feel lonely, you have friends here; I mean everybody.

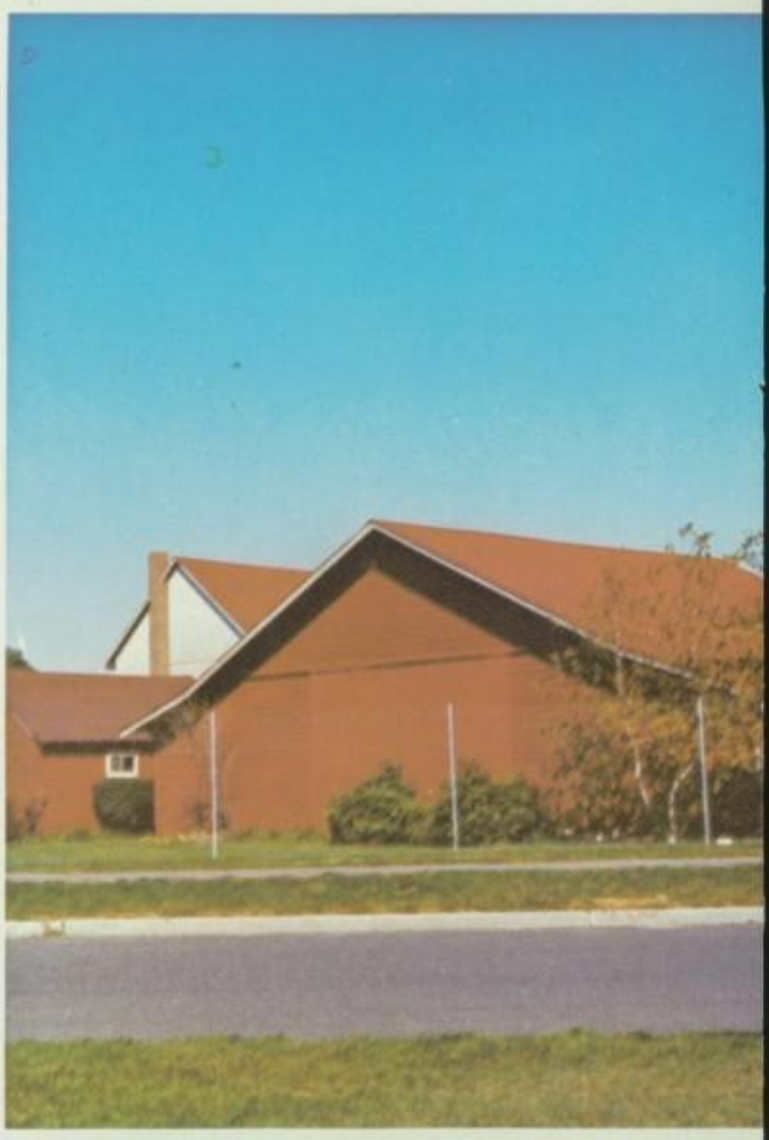
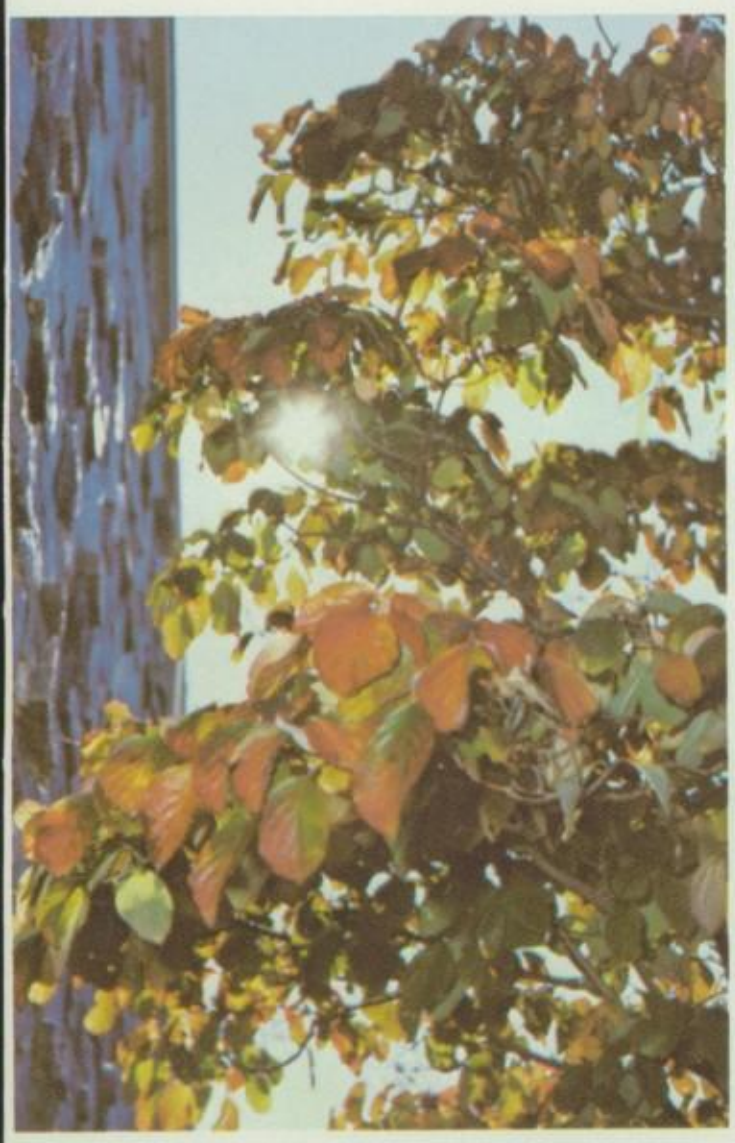
Lorica (lo ri ka) n. a hard, thick body protector as that of a breastplate of a knight in medieval times.

The knights of Medieval times dressed in their full suits of armor and complete with their loricae meant many things to the people of the Middle Ages, As they mounted their horses, lances in hand, and rode into battle the people of the towns and manors looked to them for strength and protection. The knights themselves had confidence and were adventurous as they rode into numerous battles never knowing what awaited them. Fighting to the last they always exhibited their bravery and courage whether in victory or defeat.

The students of John Glenn are similar to these knights of the Middle Ages. They reveal strength and confidence in every venture they undertake. Their adventurous qualities appear every day in sports, in class or extracurricular activities. This is all done in the atmosphere of the school which protects them as they practice their skills which they will use after they graduate.



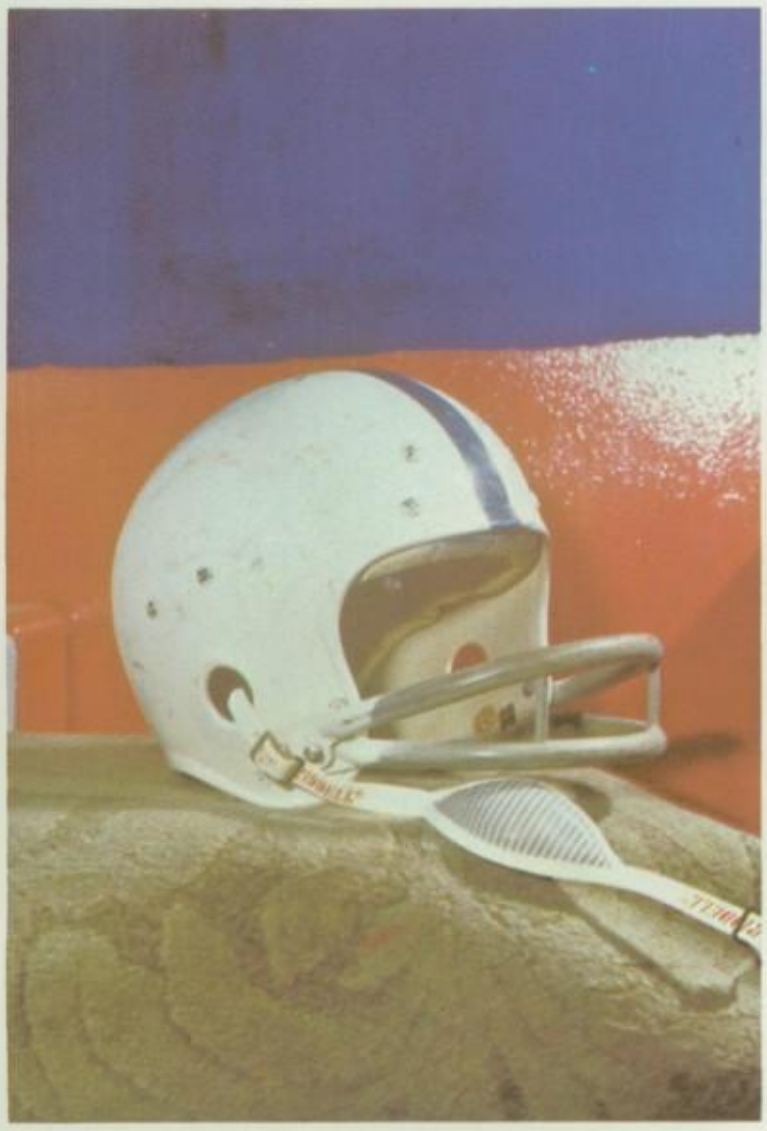
STRENGTH: Knights in the Middle Ages had different types of strength. Physical strength as in one to one combat with the use of lance or sword or mental strength, being able to remain calm in the heat of battle while others are loosing their cool. At John Glenn strength is also to be found. The strength that we see in our athletes, the strength of a tree standing alone against the elements, or the strength of the red barn that has been there through all the seasons for use to gaze at in a moment of reflection.



BRAVERY: Bravery is the quality that made a knight what he was. Without bravery a knight would not have been able to battle with enemies or slay dragons. In John Glenn some common examples of bravery are being able to stand up in a group and argue for your own beliefs, or by being an individual and not going along with what everyone else wants.

12

PROTECTION: Regardless of how tough the Knights of the Round Table were, they still needed protection. Not one of them ever waged war with out first being suited in armor, their lorica and lance. Students of John Glenn are also protected against outside forces and those of mother nature.



SCHOOL BUS

CONFIDENCE: The confidence of a knight was usually evident in the way he behaved. He rode into battle with his head high, certain he was going to win. Confidence at John Glenn shows itself in students who approach every thing with an attitude that they will be victorious, whether it be a game, a race or in interpersonal relations.

FINAL
RESULTS

ADVENTUROUS: Lords of Medieval times had to be sure of the adventurous qualities of their Knights. They had to be willing to do anything, anywhere, at any time for their Lords. Adventurous is a key word at John Glenn. Every person shows this in the variety of classes, activities, and work they do to better our school and themselves.

Besides the tough and hardened qualities of Medieval Knights, they were also compassionate, gallant, and amorous. It is very important to have these rough parts of your personality, but a person can not be human unless they have a soft side to them. If everyone at John Glenn can just keep each one of these qualities, as did our Knights, the future will be bright and endless.

A MESSAGE FROM YOUR EDITORS:

1) Look through book page by page. Don't skip over entire sections. There may be some surprises hidden in them. Wait until you finish looking at the whole thing before passing judgement. 2) Attribute any misspellings to the printing company. Everything was perfect when we sent it in of course. 3) If you don't like this book, yell and scream, jump up and down, and write us a nasty letter telling us all the things page by page that you do not like. Then if you still aren't satisfied, get someone to introduce a bill in the legislature. We want publicity too.

THE JOHN GLENN STUDENT COUNCIL

Dear Student Body,

After spending the year as your Student Council President, I would like to say this about that. On the positive side there have been many pluses, and on the negative side I have noticed some minuses. Needless to say I have made myself perfectly clear on this point several times, and it is not necessary to elaborate now.

Thank you and Goodbye,
Deb

CONCERT

FULL ORCHESTRA

This year, the Pops Concert was on Saturday, February 8. The students sold tickets, with the profits going towards their own individual cost of the Exchange Trip. An added attraction over other years was Coach Nigrelli with her orchestra — the full orchestra and the Elwood Varsity String Team. The band, directed by Bob Lawton, played a medley of tunes from the Beatles, "The Entertainer," and other interesting selections. The Knightettes made a special appearance with the band. Among the pieces played by the Stage Band was "A Tribute to Duke Ellington" with soloists Paul Fleishman on sax and Art Ivansheck on trumpet. The program for the chorus consisted of many pop tunes heard on the radio, with soloists Anne Tripp, Susan Saracione, Pat Lurye, Margaret Kinyon, Richard Sullivan, and Steve Sauter, with a solo /dance routine done in 50's style by Mary Sullivan and Cary Raddatz. Piano Accompanists were Anne Tripp, Roseanne Vita, Alisa Shudofsky, and Kerry Arnson. Among the selections for the Choral Ensemble was a Ragtime Medley. Both Choral Groups are directed by Dick Nielsen.

ALTERNATE STUDY PROGRAM

ADVISOR — Mr. Joseph Fratamico CONSULTANT — Ms. Pat O'Brien
PARTICIPANTS: Cathy Cafarella, Gary Davis, David Dickson, Peggy Mahaffy, Janine Perfit, Ken Pettersson, Lora Murphy, Mary Riccardi, Mike Storch, Elena Torres.

The Alternative Senior Year Program was devised this year to provide a unique senior year experience for ten students. The chief difference lies in the fact that their learning took place, to a large degree, outside the classroom and also outside the traditional school structure. Each of the ten students had to establish their own goals for the year with himself, his parents, and a faculty member. This goal setting was centered around career exploration or to fill in the spaces that the students felt were missing in their education. Each program involved the traditional English, Social Studies, and Physical Education, but these requirements were mostly met independently without a clock or calendar to follow. Another requirement was to spend an amount of time in an area of volunteer service. In this area students did volunteer work at Northport Vets Hospital, various elementary schools, Boy Scouts, teaching English to Spanish speaking persons, and at various youth organizations. Two students lived on a farm in up-state New York for a month to experience a different type of life style represented in this environment. Two other students spent seven days in Washington, D.C. to learn about the system of our government. These ten students were in all areas of the community, from kindergarten to High School, in quasi-government agencies to public and private hospitals. They studied drama, jewelry, sociology, criminal justice, photography, film making, music, art, remedial reading, advanced literature, karate, modern dance, yoga, religion, just to name a few. Each of these students have had an enjoyable year and have evaluated the program as superior to their past learning experiences in school.

COMPETITIVE SPORTS

VARSITY FOOTBALL

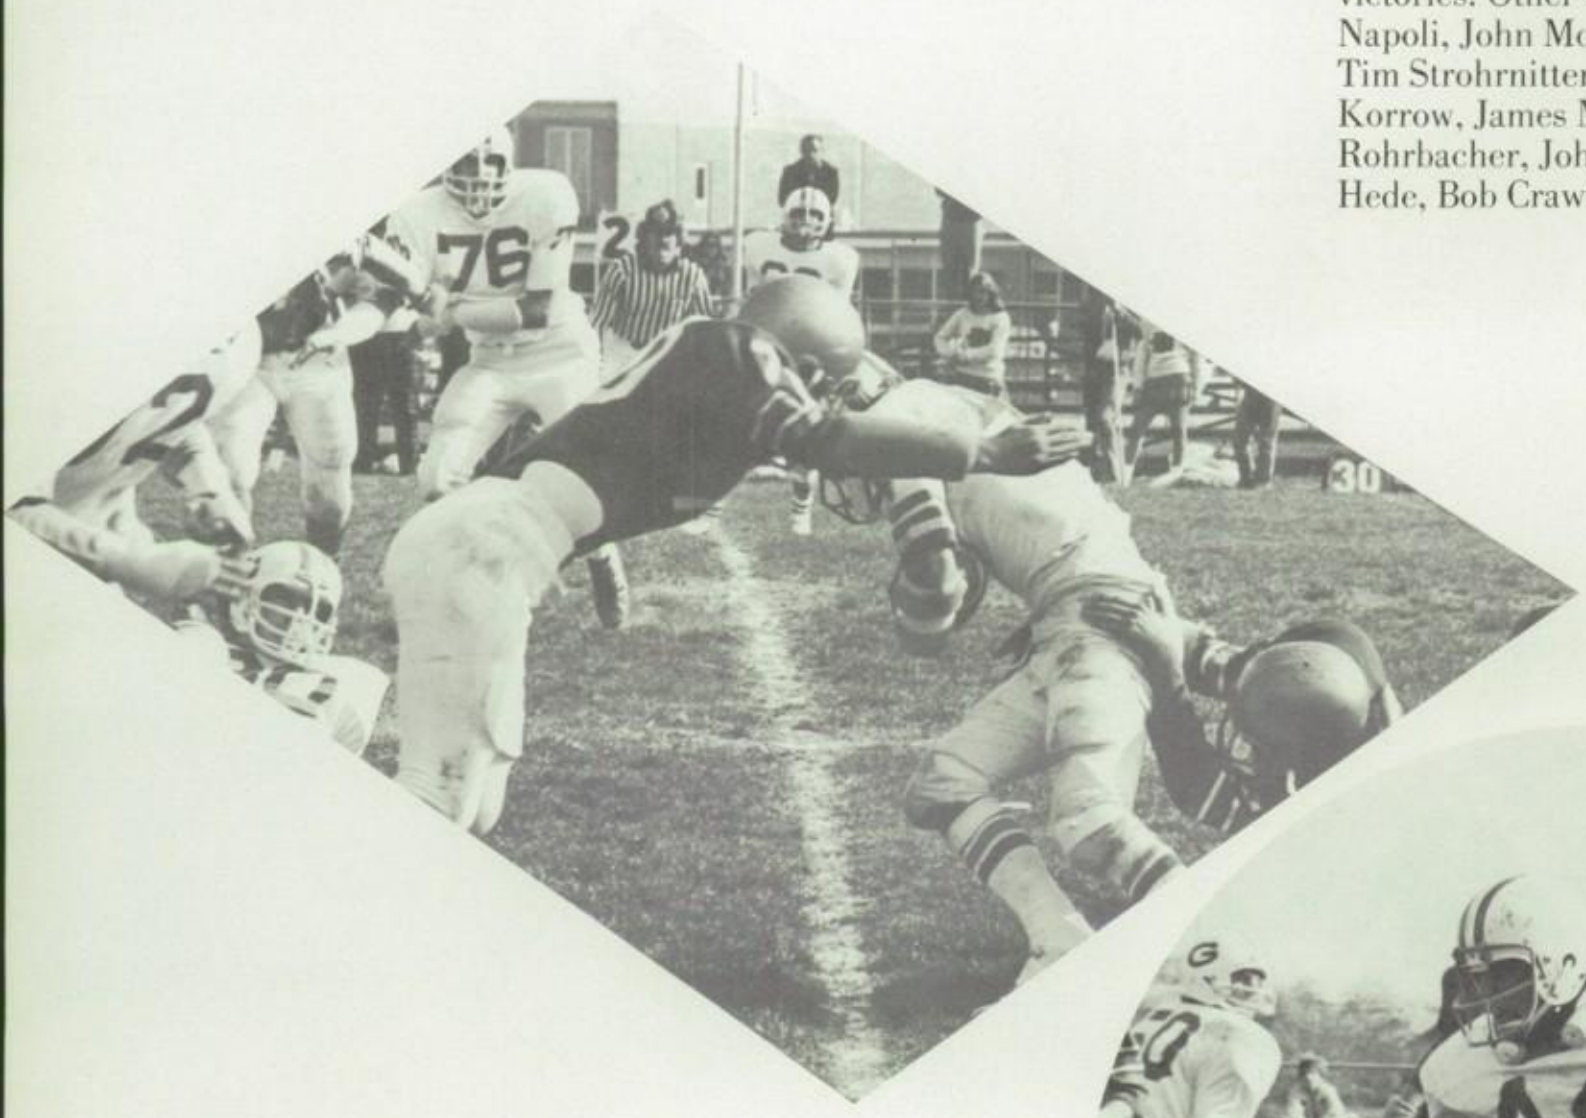
Numerous people can be cited as saying that statistics do not tell everything. This statement is particularly true when evaluating the 1974 John Glenn Varsity football season. The final 4-5 record was a bitter disappointment. The potential for a championship or winning season was certainly present, but bad breaks and misfortunes marred the record. The spirit of the team was the best indicator of the season. The team was strongly competitive and the dedication and pride for the team was present from the first days at football camp to the final victory over Stonybrook. This year there were four records broken or tied. The team broke the record in first downs with 115. Bernie Rohrbacher broke the individual yards rushing with 952 and tied most points scored by an individual with 72 points. Ed Wamsley broke the record for most interceptions with 6. Ken Romano was elected an All-League player and Bernie Rohrbacher was elected an All-League All-Conference.

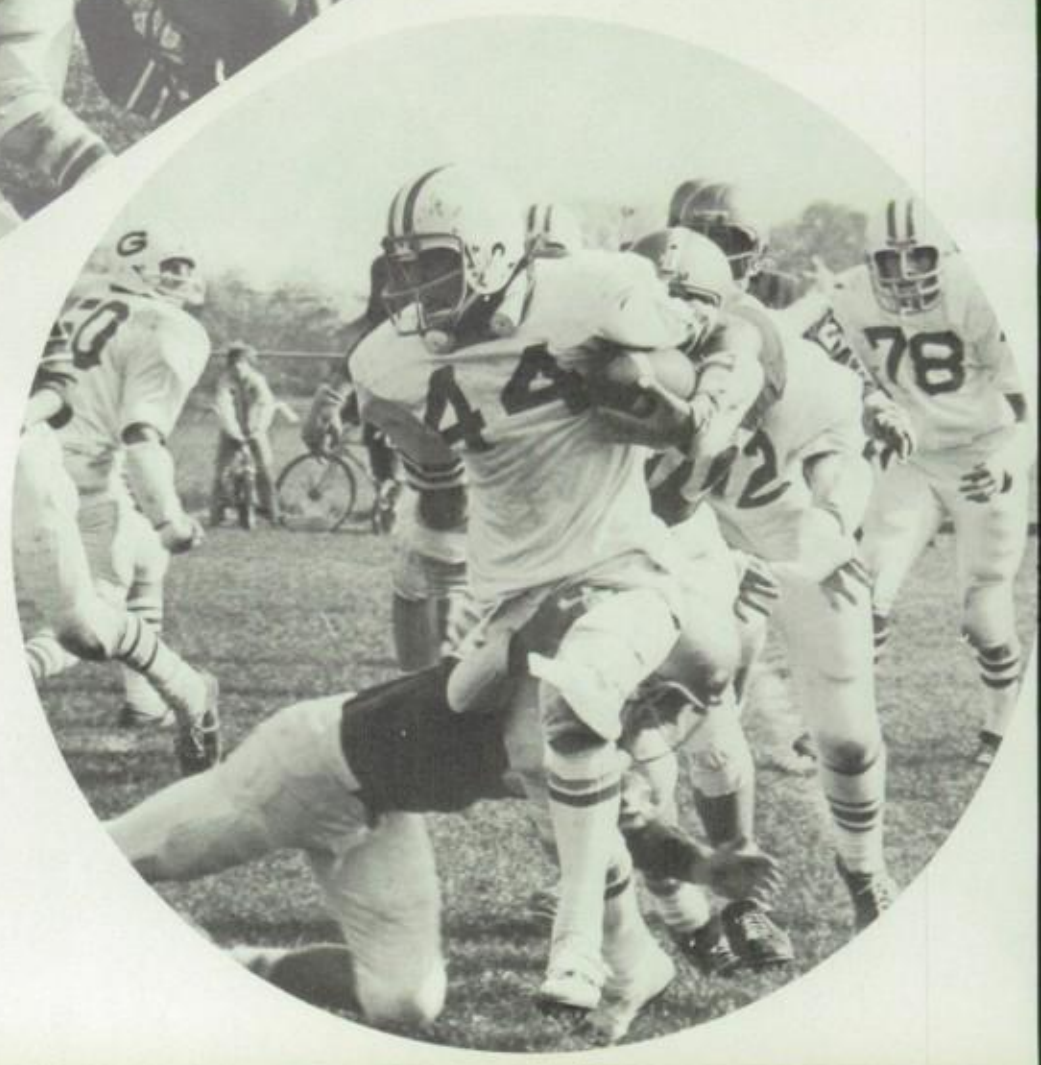
Front Row (Left to Right) Ed Wamsley, Sonny Casiano, Jim Schnackenberg, Tom Goode, Tom D'alessandro, Mike Nill, Lou Rishchynski, Rick Gordon, Joe Martino. *Second Row (Left to Right)* Dan Vincent, Dominic Cefalu, Steve Barretto, Gary Colandropo, Vince Lubrano, Tom Witt, John Bugden, Dave Ambro, Vinny DeFrancisci, Brian Greenstein, Doug Napodano.

Standing (Left to Right) Coach Clark Middleton, Sal Sienna, Ken Romano, Bernie Rohrbacher, Tom Sheshenovich, Carlton Harris, Brian McDonough, Vinny Strohsnitter, Kurt Ferraro, George Eagan, Greg McDowell, Coach Jim Riley, Head Coach Tony Cerullo, Coach Jack Greene.

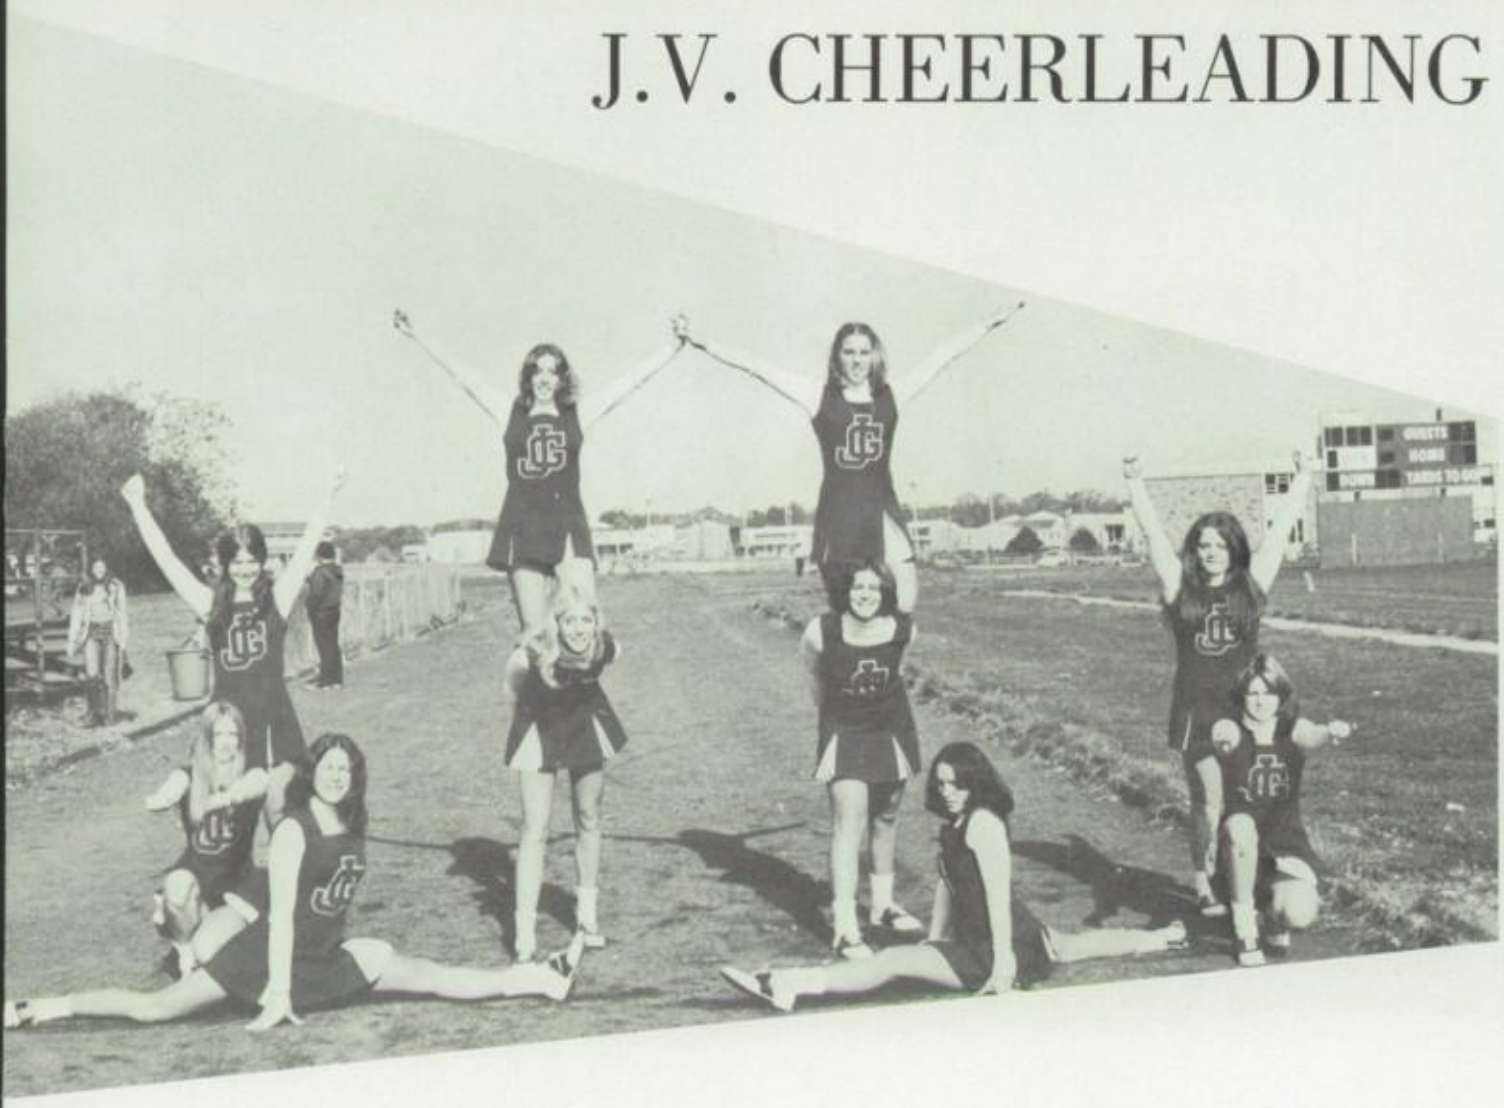
J.V. FOOTBALL

The Knights J.V. football provided us with a season of exciting and well-played games. Under the able leadership of Coaches Zimmers and Casazza, the team compiled an impressive record of eight wins and one loss. Solid teamwork, skillful execution of key plays, and strong determination accounted for the successful season. Notable among the outstanding players were Quarterback Joe Doherty, and backs Bob Ferrigno, Dean Ferraro, Bob Remini, Mike Ritter, and Linemen Ken Murdock, Joe Cefalu, Steve Cozzette, Brett Patton and Mark DeSilva, whose sparkling plays resulted in many victories. Other team members were: John Napoli, John Moon, Lou Olddo, Kevin Nolan, Tim Strohrnitter, Nick Simmonetta, Chris Korrow, James Mortellaro, Bob Vita, James Rohrbacher, John Raia, Bill Walsh, David Hede, Bob Crawford, and Courtney Rynne.





J.V. CHEERLEADING

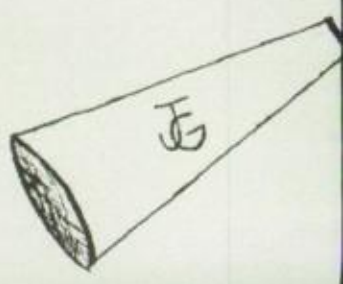


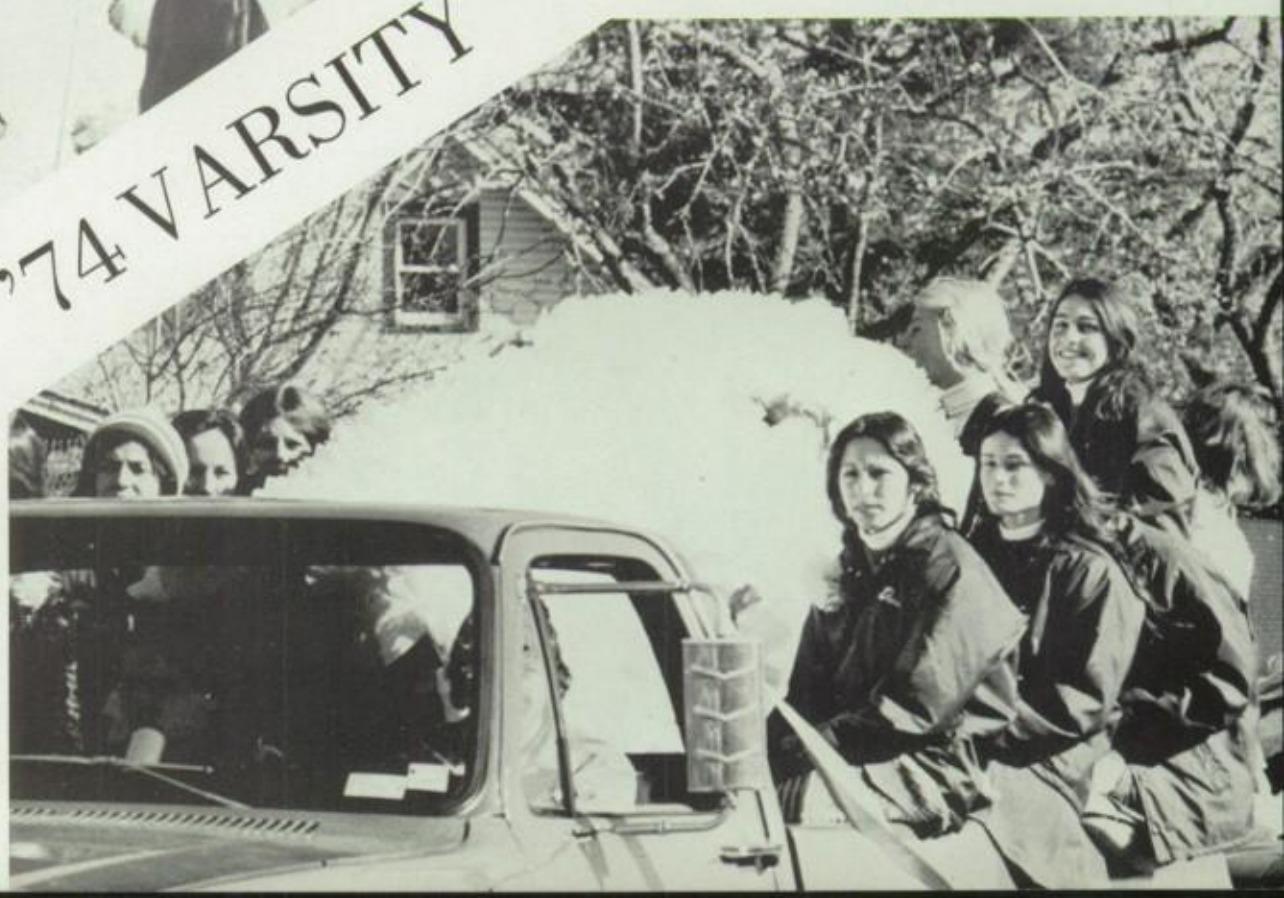
Back Row (L to R) Denise Ostuni, Claudia Galvin. *Middle Row:* Maureen Whymark, Lynn Crane, Mary Marinaro, Trisha Gaynor (Captain). *Front Row:* Shari Theurer, Joyce Feldschau, Sandy Colwell, Adie Curero (Co-captain).

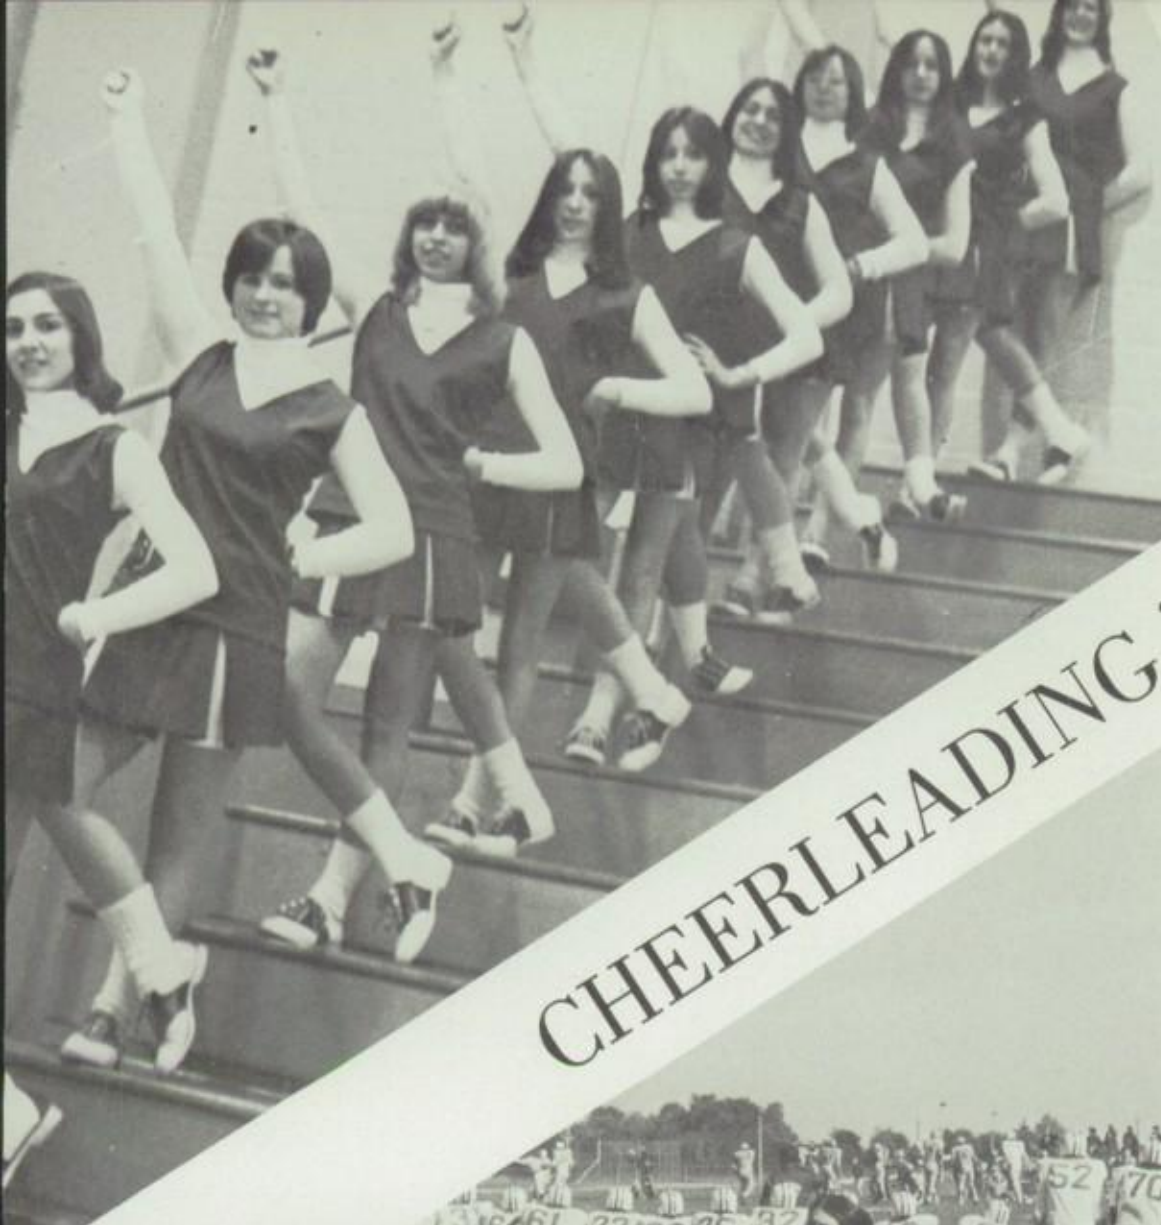
Missing from team picture Diana Tavernese.

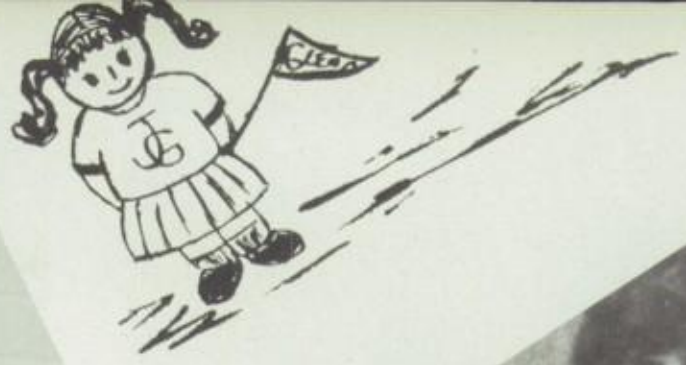
VARSITY CHEERLEADING SQUAD: (L to R): Back Row: Linda Graceffo, Marie Nicholas, Lisa Wollam, Debbie Tavernese, Lynn O'Neill, Erin Robacher, Josephine Bachman. *Front Row: (L to R):* Toni Baglio, Pat Coleman.

This year's Varsity Cheerleading season was quite eventful. The girls started the season off raising money in order to purchase cheerleading jackets.
They also took part in the 1974 Homecoming Game by building a float which they marched with in the Homecoming parade.
This year for the first time in Glenn, the Cheerleaders participated in the Suffolk County Cheerleading Competition.
The Cheerleaders cheer for football, soccer, basketball, and organize fall and winter Pep Rallies.
This year's captain was Marie Nicholas and the co-captain was Pat Coleman. The Advisor of both the Varsity and Junior-Varsity was Mrs. Mariyln Ollie.

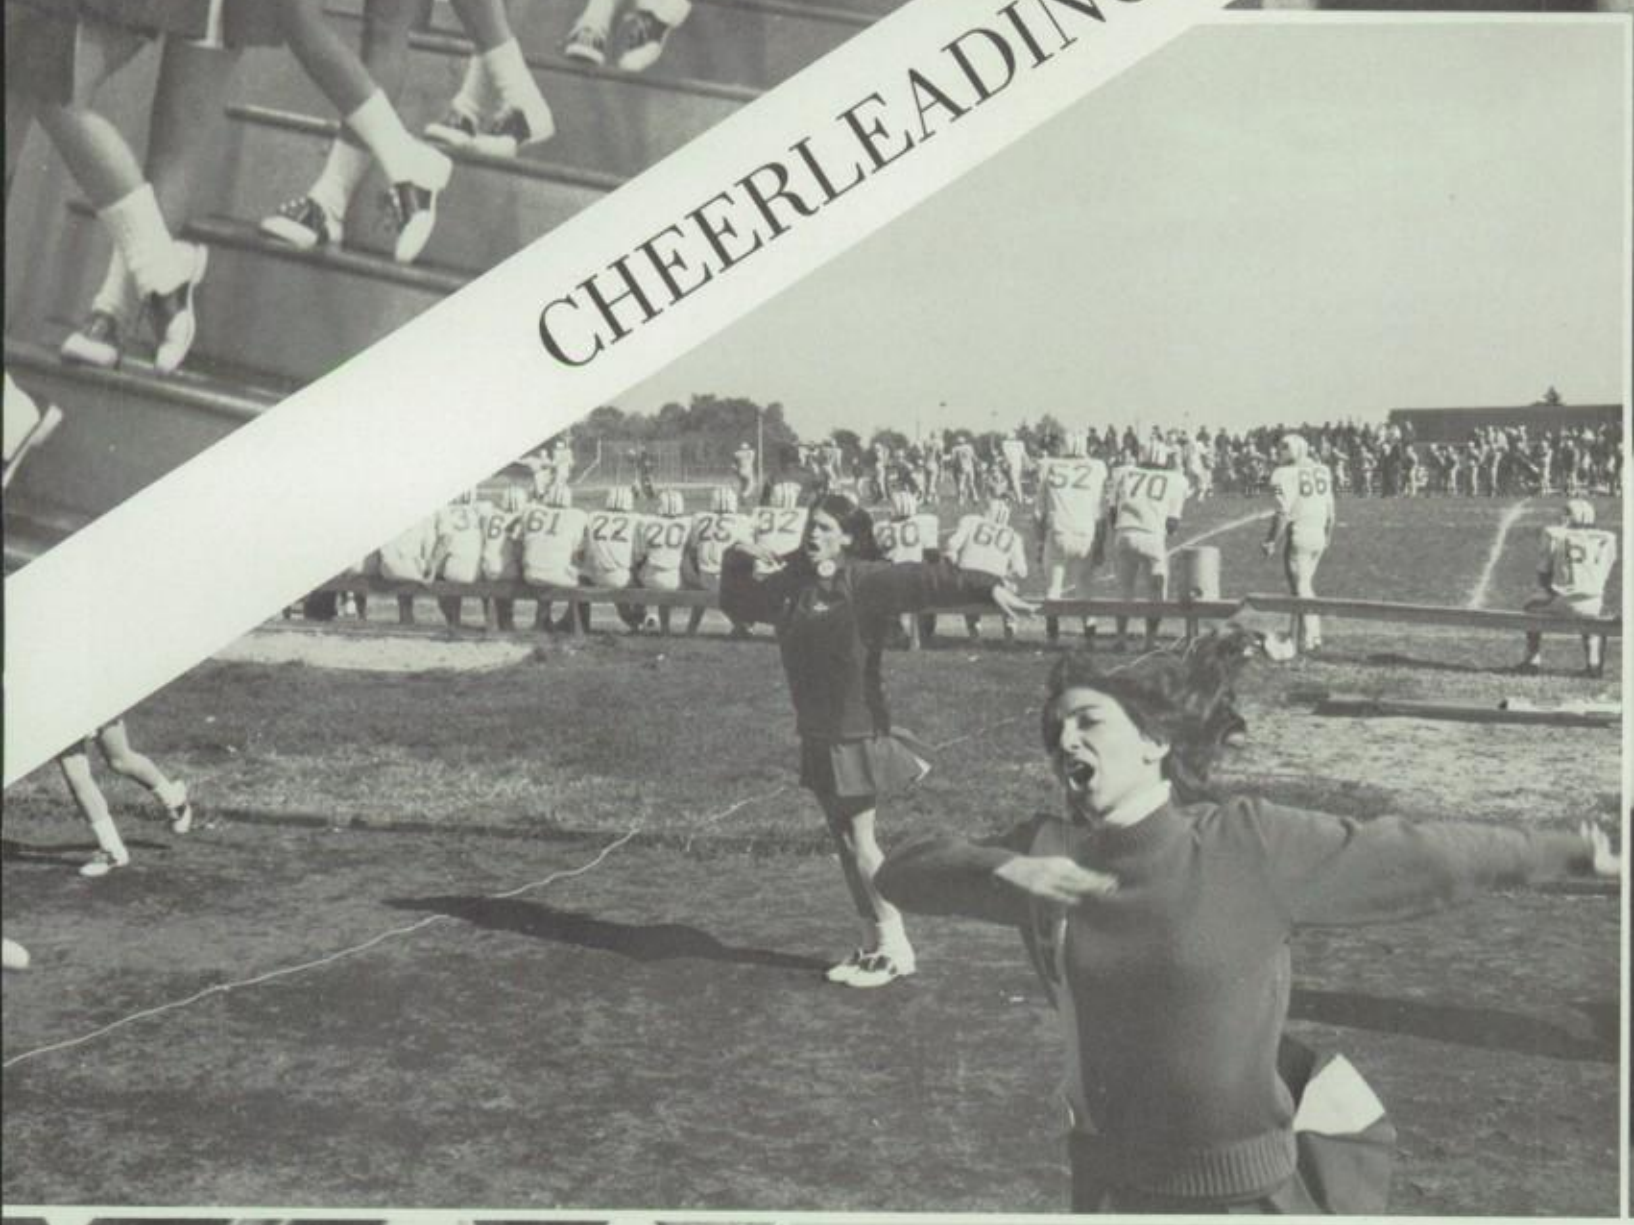


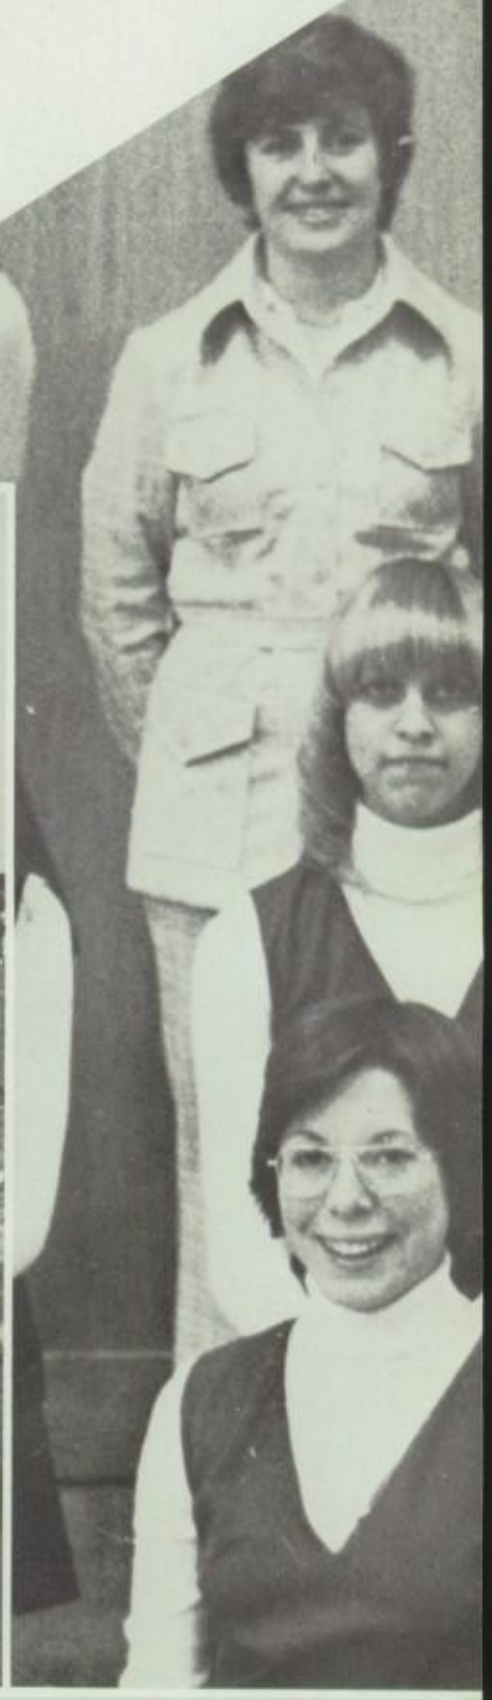






CHEERLEADING '75

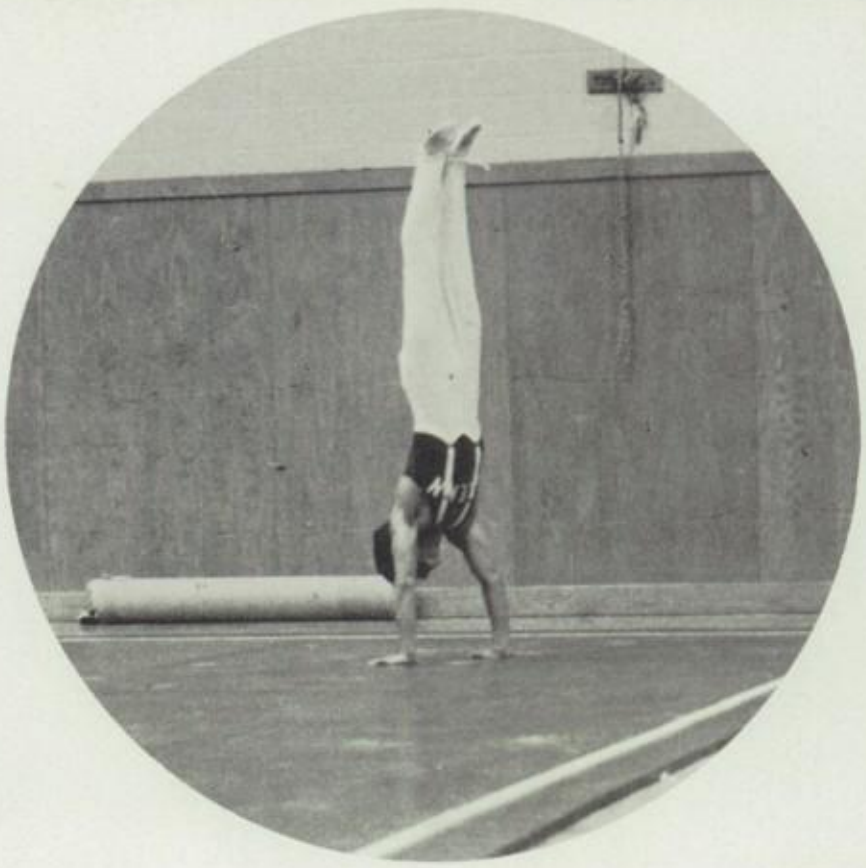


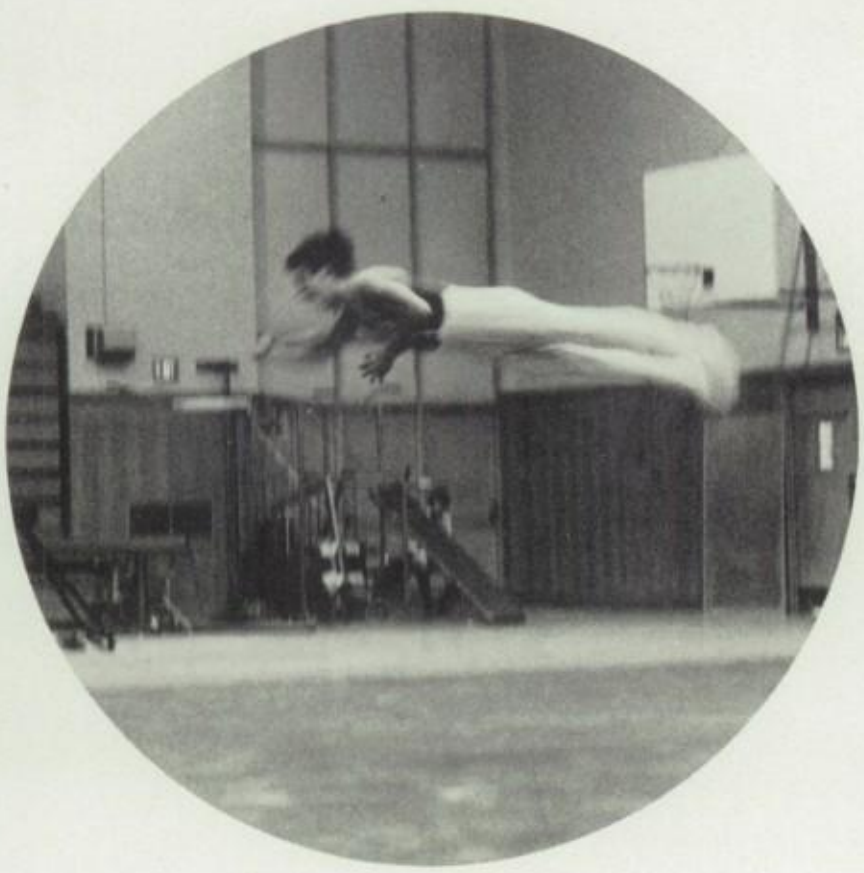


GYMNASTICS

(From Left to Right) Captain Paul Tellarico, Sean Mulholland, Ken Rice, Russ Berg, Brian Sirota, Rich Witmer, Art Ivanscheck, Jim Mercogliano, Glenn Marderstein, Mike Gluck and Bill Courbanou.

The gymnastic team has once again wiped out their league by winning in all of its competitions. Captain Paul Tellarico was, once more, named All-Around County Champ. Hopefully the returning members of the team will go undefeated next year.

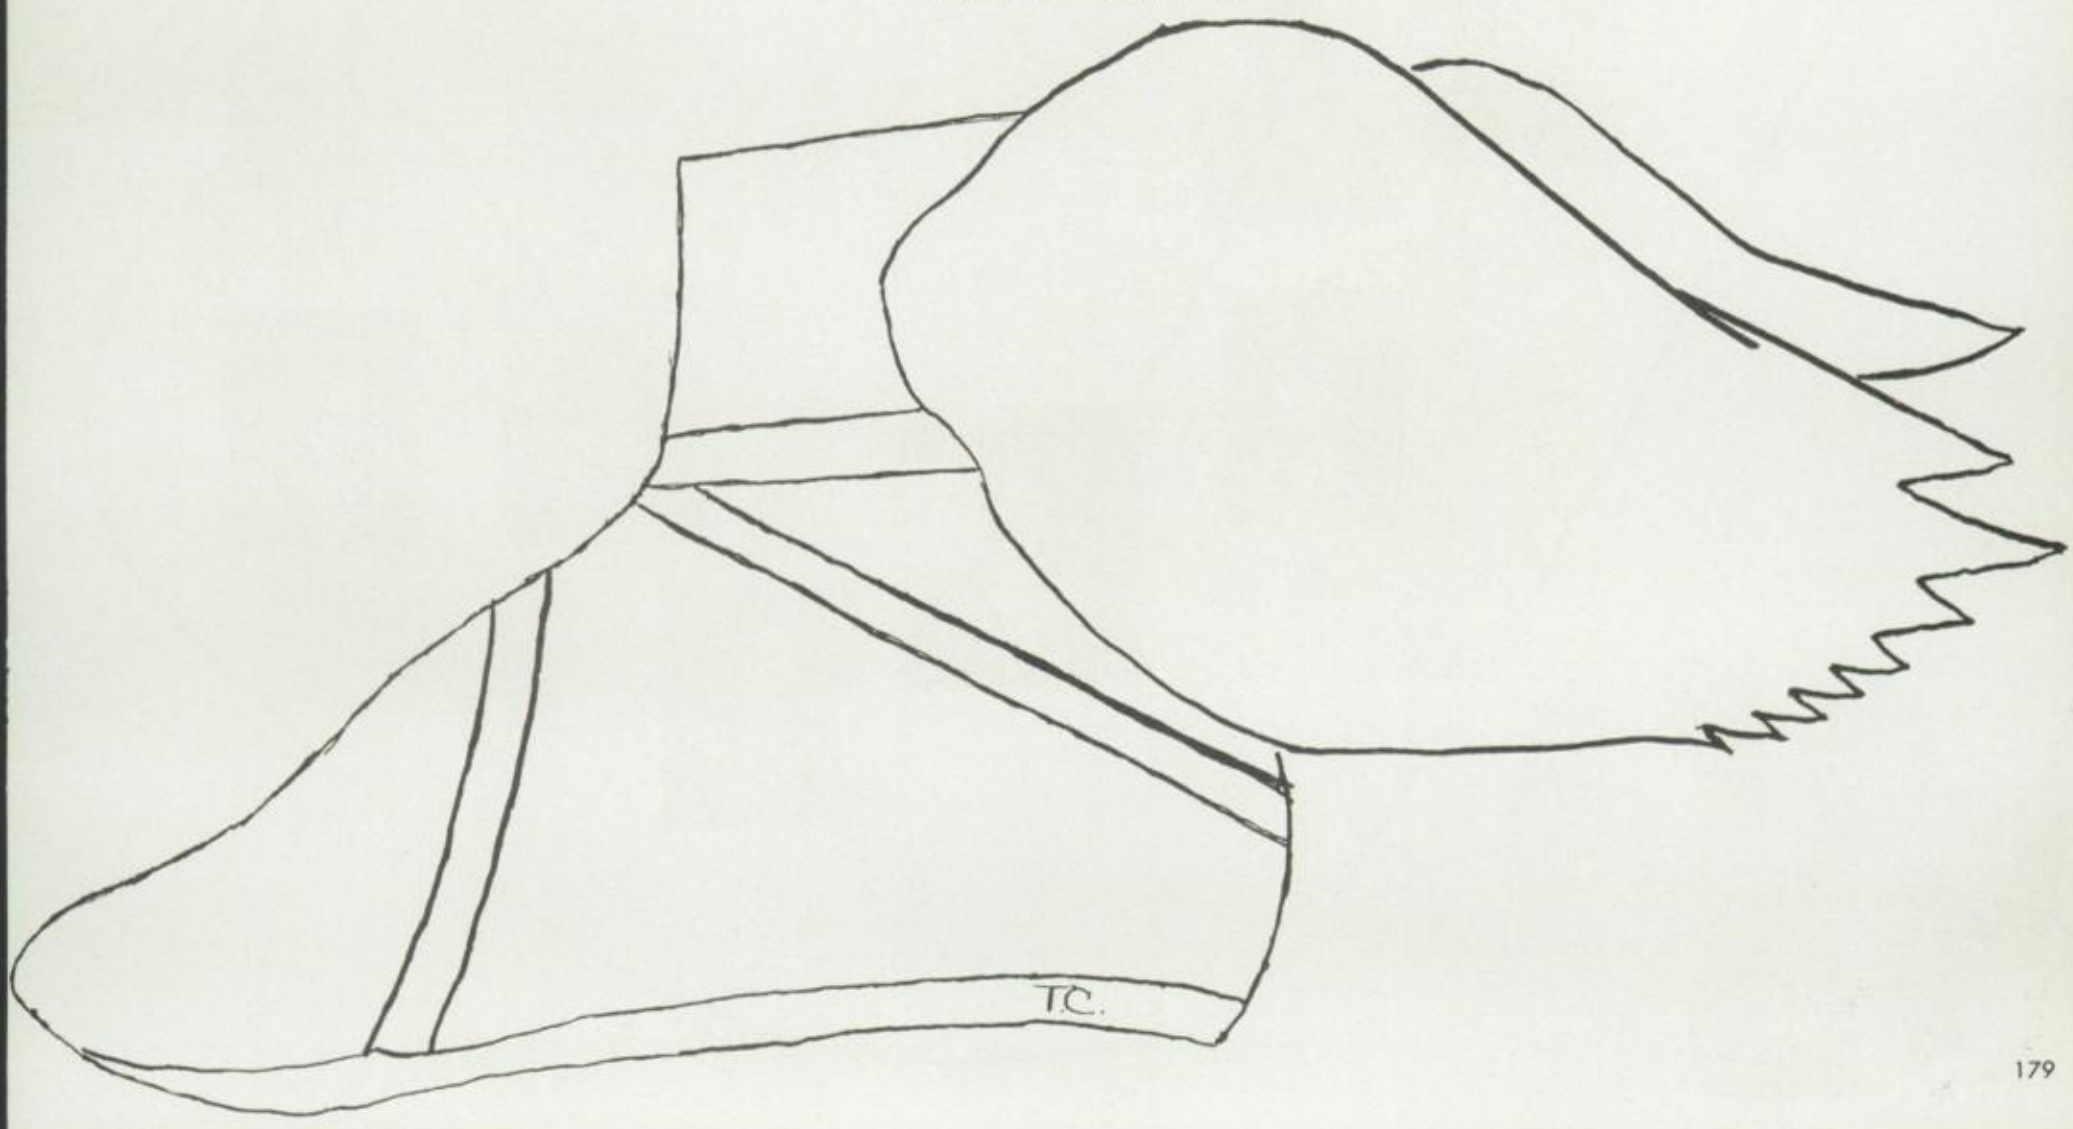




CROSS COUNTRY

The John Glenn Cross Country Team had a moderately productive year, faced with stiff competition, a young team, and a plague of injuries. Led by seniors Ken Pritchard, Frank Napoli, Chris Ammirati, juniors Harry Lambertson and Mark Bergeles, and sophomore sensation Andy Ciappa, the team finished with a 2-4 record in league competition. Captain Ken Pritchard finished second in league and county competition, setting a school record for the course at Sunken Meadow. Coach Dennis Gatto has a team of fine runners that look to continue the tradition of fine cross country teams at Glenn.

Standing (L to R) Chris Ammirati, Tom Laurencelle, Harry Lambertson, Frank Napoli, Ken Pritch, Coach Dennis Gatto. *Kneeling:* John Sullivan, Mark Sikowitz, Mark Bergeles, Brett Senft, Andy Ciappa, Rich Brook, Steve Heidorn.



FIELD HOCKEY

Despite the graduation of its entire forward line the Field Hockey team under the guidance of Coach Terribie ended its season with a 4-3-1 record. The players started their conditioning during the summer months and had by the end of the season been molded into a well functioning team. Since the team was mostly Sophomores and Juniors this was for many a year for gaining experience and learning to play with and depend on the other members of the team.

Next year's team will start where this team left off in the gaining of new skills, advanced stickwork, body conditioning and the true sense of being a team.

The strongest part of this year's team appeared to be the defense consisting of Seniors Rosie Hummer and Elaine Sanchez, Juniors Barbara Wansor, Beth Julich, team captains Theresa Goode and Becky Swenson, and Sophomore Mary Watros. The defense enabled the team to remain on attack during the major part of the game.

The offense this year was characterized by speed, aggressiveness and an increasing level of skill. The offense included Senior Lynn O'Neill, Juniors Denise Delitranasis, Mary Maloney, and Claudia Galvin, and Sophomores Dardia Delithanasis and Sandy Colwell.

Players names from top to bottom are as follows: Theresa Goode, Mary Maloney, Debbie Dichiara, Becky Swenson, Denise Delithanasis, Claudia Galvin, Rosie Hummer, Beth Julich, Barbara Wansor, Lynn O'Neill, Sandy Colwell, Mary Watros, Darcia Delithanasis, Coach Terribile.

JUNIOR VARSITY FIELD HOCKEY TEAM: *Top (L to R)* Leisha Reid, Kathy Mulholland, Kathy Fay, Elaine Sanchez, Sue Johnson, Marybeth Begley, Barbara Metzger. *Bottom (L to R)* Alicia Cravero, Karin Kasner, MaryKate Strohsnitter, Elaine Pirraneo, Lauren Duda, Donna Rizzuto.

SOCCER

This year's Varsity Soccer team continued where last year's team left off. They did not win the league championship as the team of '74 did, but they did surprise many people by compiling the second best record in John Glenn's history. A 9-4-3 league record which was good enough for third place. The team was led by Steve Haintz and Bill Schultheiss. Both were named to the all-county 1st team and all league 1st team. Bernie Chaimowitz was named to the all league 2nd team. Hopefully the returning players will continue the dynasty in the sport of soccer. The following were members of the team:

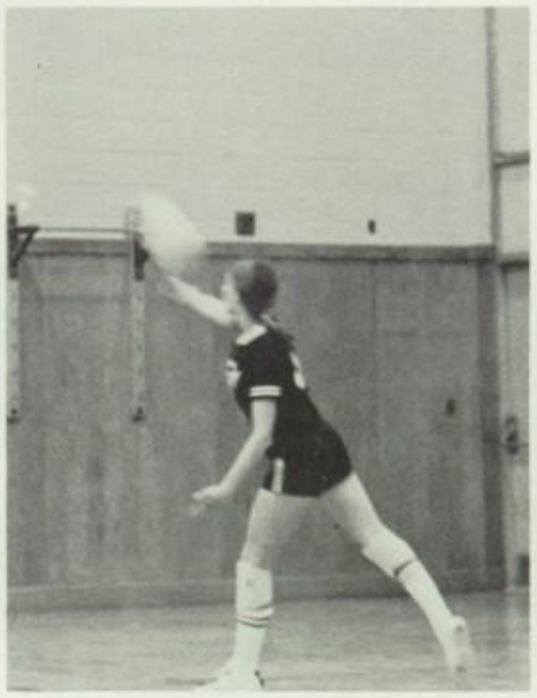
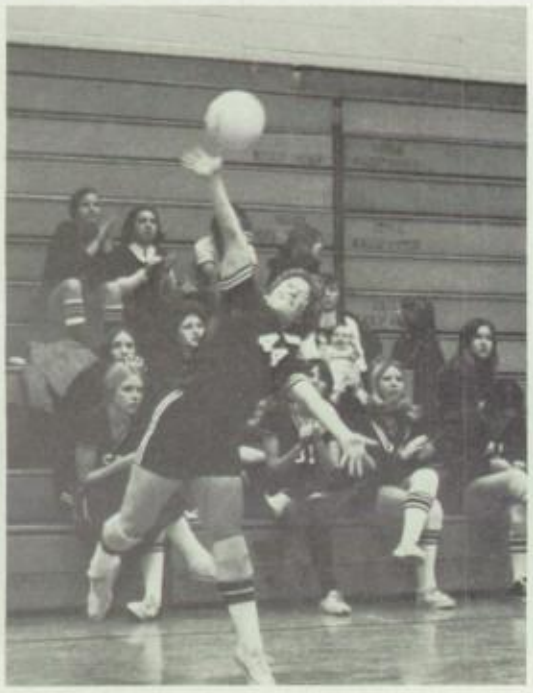
VOLLEYBALL





VARSITY

L to R: Marion Olle, Terry Goode, Kathy Wolfe, Rosie Hummer, Lynn O'Neill (Captain), Elaine Sanchez, Becky Swenson, Jean Nervina, Barbara Wansor.

The John Glenn Varsity Volleyball team coached by Marion Olle, had a disappointing season, with a record of 2 wins and 7 losses. The team had hopes after their first league game, which was a definitive success over their arch rivals, Harborfields. The turning point of the season was a frustrating loss to Smithtown West.

The Junior Varsity team had a very strong season. They had complete teamwork and ambition. The record of 6 wins and 2 losses shows that there will be a strong returning team for next year.

J.V.

L to R: Marion Olle, Mary Watros, Kathy O'Neill, Kathy Popino (Captain), Christel Wenker, Antra Mangulis, Kathy Zahor, Chris Piesel, Cathy Leavy, Claudia Galvin.

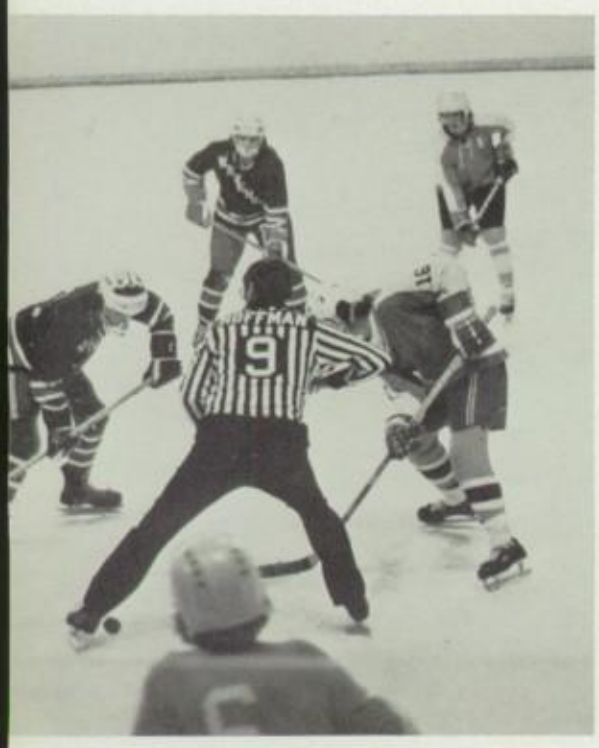
ICE HOCKEY

This year's Hockey Team, the defending county champions, finished the regular season with a 20-1-1 record, to capture its second straight Division Two Championship.

The first centered by Junior Matty Senk, along with wings, Senior Kenny Catalano and Freshman Eugene Senk were the division's highest scoring line. The defense, again the best in the county, was anchored by Seniors Steve Curry, and Bill Shultheiss along with Juniors Gregg Lissner, Team Captain, and goalie Walter Sherwood.

The team placed three players on the County All-Stars, Seniors Catalano, and Currey and Junior Matty Senk. Gregg Lissner was an honorable mention.

Others returning from last year's championship season are Fran Buhler, Kurt Trede, and Joe Cincotta. New faces are Mike Esposito, Glenn Kushner, and Mike McDonough, also Joe Boccio, Juniors, Rich Verity, Jeff Troiano, Seniors and Gordon Bugden, Bob McDonough, Rich Brooks, Sophomores and Mike Tafuro, Freshman, gave the club great depth and an excellent chance of repeating as county champs.



WRESTLING

Under Coach Lilienthal's guidance, the John Glenn Wrestling team ended its fine season with a 13-1 record. One of the best records in John Glenn Wrestling History. The team lost their last meet of the season to Smithtown West for the League Championship with a score of 27-22 in a well wrestled match.

Kurt Ferraro was the league champ in the 215 pound weight class. Mike Erans and Ross Cameron placed second in their weight class. Blari Parker took third in his class while Adam Jacob, Billy White, Johnny Johnson, Tom Sherschenovich, and Steven Thomas placed fourth in their weight classes.

Glenn placed nine wrestlers in the tournament, the most any Glenn Wrestling team placed in John Glenn Wrestling history.

Although the John Glenn Basketball teams did not succeed in making the play-offs this year they showed great team effort. The varsity games were often close and tied right up to the end. Seniors Jerry Blair and Pete Cosgrove were helpful with their high scoring. It is hopeful that the returning members (60% of the starting line-up and over 80% of varsity), will lead their team on to victory next year.

GYMNASTICS

Patience is man's greatest virtue,
Or so the saying goes.
A gymnast must have said it,
For a gymnast surely knows,
That in this funny sport of ours
Discouragement runs high,
And at times the very best will find
This virtue's passed him by.
When hands are ripped and throbbing
When every muscle's sore,
Can a gymnast still have patience
To limp back in for more?
When you've lost old moves you used to do
And progress seems so slow,
Can you still have faith in better days
And not feel sad and low?
Can you admit you're frightened
Yet not give in to fears?
Can you conquer pain, frustration,
And often even tears?
When someone else does something
You've tried so long to do,
Can you feel really glad for her?
And not just pity you?
And when success seems far away,
Your efforts all in vain,
Can you force yourself to wear a smile,
And disregard the pain?
If despite the tribulations,
You can say "I won't give in."
Maybe someday you'll discover,
That it's now your turn to win.

CONGRATULATIONS TO THE CLASS OF '75

"Our natural disposition is as it were, the soil;
the tenets of our teacher are; the seed;
instruction in youth is like the planting
of the seed in the ground at the proper season;
the place where the instruction is communicated
is like the food imparted to the vegetables
by the atmosphere; diligent study
is like cultivation of the fields;
and it is time which imparts strength to all things
and brings them to maturity"

AFTERTHOUGHTS . . .

Photos by David Dickson

The Trouble Is . . .

The trouble is i
know that i am in
a cave
Chained to that all-
American myth
Everyone must go to college
Chained so that i
may not turn to
discover
Seeing only shadows
images of reality
But not real at all
A tragicomedy played
by puppets
manipulated by someone
who knows what is good for me
Not what i am good for
My identity seems
lost i have no name
Attached to my face
an IBM number filed
in that glorified
library in
San José State
Directed through halls
listening not hearing
memorizing not remembering
studying not learning
wondering why?
College does not give
me an education
i cannot learn about truths
i have to live them
Occupying a space
taking notes faster faster
everyone writing
heads down words words
Any questions? No time
i want to know
what is really going on
i want to understand
Bombs for peace
Aggression security
War?
Why not?
Memorize the Constitution
recite the Preamble
learn the Bill of Rights
Turn around and see
Selma, Alabama
Pity the poor in India
the starving Chinese
Increase Foreign Aid
give to CARE
Face the light
"U.S. War on Poverty"
But i am safe in my
cave secure protected
Vietnam weapons kill
Remember Korea Hiroshima
forget it play it cool
It is my future
it is their future
Put an end to the mistakes
before they put an end
to us . . .

— Renée Resendez

Though I speak with the tongues of men and of angels, and have not love, I am become as sounding bronze, or a tinkling cymbal.

And though I have the gift of propheecy, and understand all mysteries and all knowledge; and though I have all faith, so that I could remove mountains, and have not love, I am nothing.

And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not love, it profiteth me nothing.

Love suffereth long, and is kind; love envieth not: love vaunteth not itself, is not puffed up.

Doth not behave itself unseemingly, seeketh not its own, is not easily provoked, thinketh no evil.

Rejoiceth not in iniquity, but rejoiceth in the truth:

Beareth all things, believeth all things, hopeth all things, endureth all things.

And now abideth faith, hope, love, these three; but the greatest of these is love.

I Corinthians 13:1-7:13

Lorica 1975 has been a virtual kaleidoscope of experiences for us. Our optimistic expectations and ambitious conceptions often turned into frustrated circumstances and disappointing mishaps. Focusing our sights on the eventual completed book kept us working through it all . . .. the good and the bad. A few late deadlines, much inexperience, and some heated discussions, cause us to honestly and forthrightly say — we are glad it's all over . . .. but we can't say it wasn't worth it. Many thanks to our sometimes badgering advisor/friend, Mr. John Dragonetti, who was faced with putting up with two diametrically opposite personalities which as a salad are different but when mixed turn out favorable.

The Best Wishes to all.
